WRITING

Hi, Chester. As you know I've changed my school, I write you because I want to speak with some friends from my old school. I changed school because I went to live in another city, as you know, and I like this new city, but I'd better go back to my friends then stay here, I miss you very much. Teachers in new school are very kind, but they can't replace my friends... Oh, my mother is calling me, bye.

Dear Vika,

Thank you for your letter. It was great to hear about your new pets! As for my new school it's very big! It has three computer rooms and wonderful sports facilities. Actually she seems a nice and beautiful place. I enjoy studying there. The kids in my class are very friendly. I've already made some new friends, and we often meet after classes. I've got only one new subject this year, it's Economics and I'm beginning to think that it's not difficult after all! What's your favorite subject in school? How is your pet? The last thing, I started to love pop music. What's your favorite genre of music?

Lots of love  
Lika.
